

Our Better Angels by Tom Farley

**Honor and Courage...Fairness and Love
Just what else should we all be thinking of
Care for each other...Sister and Brother
All the lessons from my Father and my Mother**

**I give all that I can
Trying hard to understand
But as time goes by...I can hear them cry
Asking why...why...why...why...why?
And waiting for our better angels to arrive...**

Instrumental (G – D – Bm – G – D – A – D)

**I give all that I can
Trying hard to understand
But as time goes by...I can hear them cry
Asking why...why...why...why...why?
Hoping our better angels will arrive...**
