

# A Tip of the Hat

by Tom Farley

G C G  
Some people talk about letting it go

A D  
Some people hide it where light never shows

G C  
Some talk and petition – and some never care

G D G  
Life is a road sign "State of Repair"

## Chorus

G C G  
They're not really living if they're living a lie

A D  
And they can't feel the breeze as the wind rushes by

G C  
Don't try to determine or think it all through

G D G  
A tip of the hat is all you can do...

We can try moving forward – and keep it on track  
But we're always reminded – it's the vision they lack  
So now I'm retired – I'm finished at last  
So my dean and my A.D. - can both kiss my ass

## Chorus
