

Baby Can I Hold You – by Tracy Chapman (in “D” and in “C”)

D/C A/G Em/Dm

Sorry is all that you can say

A/G D/C
Years gone by and still

A/G EmDm
Words don't come easily

 G/F A/G
Like sorry, like sorry

Forgive me is all that you can say
Years gone by and still
Words don't come easily
Like forgive me, forgive me

Chorus

 D/C
But you can say baby

Em/Dm G/F D/C
Baby can I hold you tonight

Em/Dm G/F Bm/Am
Maybe if I told you the right words

 A/G DC Em/Dm – G/F – A/G
At the right time you'd be mine

I love you is all that you can say
Years gone by and still
Words don't come easily
Like I love you, I love you
