

Annalee

by Tom Farley

[Instrumental]

[Verse 1]

There was a day When I was young
And my life was filled with a happy song
But now it's gone And I want to know
Annalee, why do I love you so?

[Chorus]

Annalee,...Annalow.. Anna I love you so
You'll never ever know

[Instrumental]

[Verse 2]

Was it me? Or was it you?
Was it just a phase that both of us were going through?
Wanting to live But seeming to die
Never really understanding why

[Chorus]

Annalee...Annalow Anna I love you so
You'll never ever know

[Instrumental]

[Verse 3]

Every day As I walk alone
I wonder where you are how you get along
Run around Every man in town
Paints a memory of Anna going down

[Chorus]

Annalee...Annalow Anna I love you so
You'll never ever know [Instrumental]
