

You Don't Have To (For Mom)

by Tom Farley

C

You don't have to take confession

F G

Or let me bend your ear

C

You don't have to speak so gently

D G

When you wipe away my tear

F C

You've always been my dearest friend

E Am C

In a life where friends were few

F C

Your love you bring like all those things

G C

That you don't have to do

Verse Instrumental

You don't have to send a notion

To show me that you care

And you don't have to give emotion

When so much love is there

It's hard to find a heart so kind

In a beauty warm and true

Your love you bring like all those things

That you don't have to do

Verse Instrumental (X2)
