

Darkness of the Morning

by Tom Farley and Vernon Martin

[Verse 1]

Ship's a sailin' on the water

Can't find my way back home

In the darkness of the morning

Fearless of the storm

[Chorus]

Water creeping slowly

Closer to the beach

The ship that I am waiting for is so far out of reach

[Instrumental]

[Chorus]

Though I know that I must wait on longer

For my ship it will appear

And in my mind I have a picture

And the image is so clear

Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh
