The days when they were far too young to care

Em C/Am D
And missing her the time that she's not there
G D C G
Two young hearts beat softly along a sandy shore
Em C/Am D
Far beyond the fading of the light
G D C G
Knowing there's a reason for him going off to war
C D G
And knowing that they only have one night

Just waiting out the calm before the storm

Just waiting out the calm before the storm
